"A Fiscally Responsible New Year"

By Congressman Allen Boyd (D-FL)

For the past ten years, I have been outspoken in Congress about one of the issues that I believe is most

PAYGO prohibits Congress from spending on credit, a practice we all know to be unwise and fiscally un

The pay-as-you-go concept was originated in the late 1980s by Democrats looking for ways to reduce the

With our persistent call for meaningful budget reforms, the Blue Dog Coalition deserves much of the credit

By reinstating the pay-as-you-go principle and prohibiting legislation that will increase the deficit, Congress
